97% Lana vergine, 3% Elastan
Resistenza all'abrasione / Durability

97% Virgin wool, 3% Elastane
45.000 Martindale (EN ISO 12947-2)

Cura & Manutenzione

In caso di macchia agire tempestivamente tamponando la superficie interessata con delicatezza senza danneggiarla. La mancanza di tempestività nell'azione rende la pulizia meno efficace, con conseguente permanenza di aloni. I tessuti di tonalità chiara non devono essere messi a contatto con altri tessuti trattati con coloranti di scarsa solidità di tintura, in quanto i pigmenti di colore potrebbero penetrare nella superficie del tessuto senza poter più essere rimossi.

In caso di macchie lievi, pulire la superficie con un panno umido, e risciacquare con acqua.

Per le macchie localizzate e più ostinate (olio, grasso, cosmetici, caffè, liquori, chewing-gum) si consiglia di trattare con una soluzione di detergente neutro e acqua, risciacquare accuratamente evitando di inzuppare il tessuto.

Care & Maintenance

In case of stain act promptly dabbing the surface gently without damaging it. The lack of timeliness in the action makes cleaning less effective, resulting in the permanence of marks. Light color fabrics should not be put in contact with colored textiles with unbound dyes since color pigments could penetrate the fabric's surface without being able to be removed.

In case of slight stains, wipe the surface with a damp cloth and rinse with water.

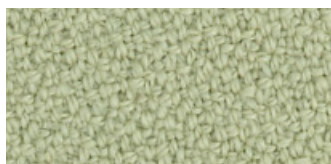

For localized and stubborn stains (oil, grease, cosmetics, coffee, liqueurs, chewing-gum) it is advisable to dab and then treat with a solution of mild detergent and water, rinse well. Do not soak the fabric.
